PACK-E manufactures and distributes customised paper bags and envelopes.

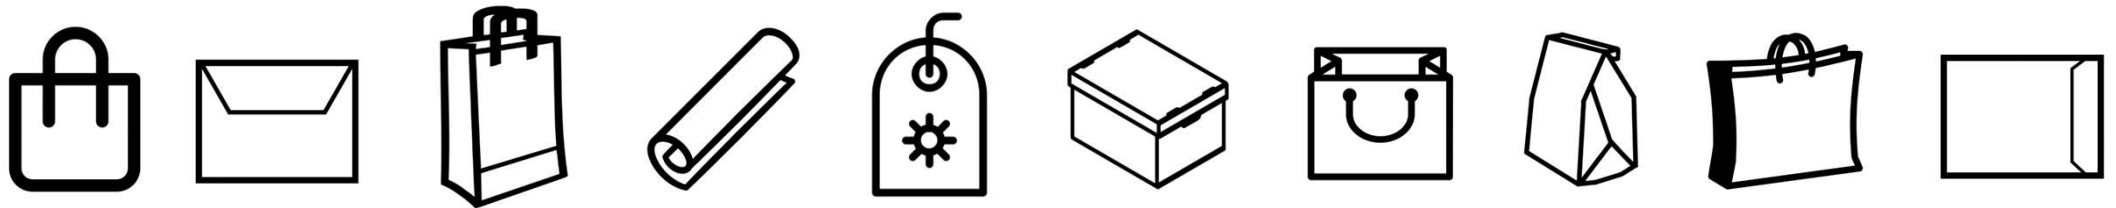

We have more than 25 years of expertise in custom manufacturing and printing.

Our group has more than **35** factories, this ecosystem guarantees us a 360° view of the European industrial park.

Depending on your priorities, we provide you with a multi-faceted offer.

Our factories have unique know-how and guarantee a high level of quality. Our offer is optimised for each of your requirements.

There are no quantity constraints with us, we offer both micro-series and industrial quantities.
